Framebuffering

This is in response to the petition under 37 CFR 1.47(b), filed July 12, 2000.

The fee required for a petition under 37 CFR 1.47 is missing (37 CFR 1.17(i)) and a general authorization to charge a deposit account has not been filed. Although the petition indicates that a check for the petition fee was enclosed, Office records indicate that no fee was ever received. Petitioner was contacted to obtain an authorization to charge the fee or to verify that indeed a check had been submitted and cashed. No response was received from petitioner.

Therefore, this petition is dismissed.
